NATION'S DAIRY FARMERS BALLY

When a dairy farmer looks at the national bally, he knows that the dairy industry is the backbone of the nation's food supply. The bally is a great opportunity for dairy farmers to show their products to the public and to the government. It is a chance for them to be heard and to be seen. The bally is a great success and a great day for the dairy industry.

GIRL SCOUTS

Girl Scout Troop 77 of Our Lady of the Gulf Parish under the leadership of Mesdames Frances Schaefer, Judy Becker and Mary Ann Becker, recently entertained the mothers at a tea show at the parish hall.

A gift was presented with luncheon and pretty hats made by the mothers and daughters. Mrs. Frank Lagarde won first place for her hat, Mrs. James de Blase second, in the girls class. Martha Lynch was first and Elizabeth Ann Moran second.

In the pretty hat class Mrs. T. F. Smith placed first and Mrs. James Moran second. In the girls' division Mary Lagarde was first and Michael Becker second. Judges were Mrs. Martin Morlock and Mrs. James Annley. Refreshments were served.

Friday the group received bowling instructions at Bay Bowling Center where they bowled two games. Sunday morning the Troop attended 8:30 Mass at Our Lady of the Gulf Church. Flag bearers were Fray Ann DiBenedetto and Ann Moran.

Fresh water fishing improved greatly over the weekend. The water up Jordan River is clearing rapidly and some good catches were made.

Salt water to date is not so hot as yet. August Baker reported some catches of green trout up Jordan this weekend. They were being caught on underwater baits. Too early for popping bugs just now!

Good news — a few soft crabs and flowerers have been caught the past week. Exceptionally high tides at night have been a hindrance — with the change of the moon and low tides soft crabbing should improve right along.

Bill Aske of Minneapolis, Minn., is visiting Wm. Cooley of Bay View Court, has been enjoying golfing and fishing while here.

Clifford Carver has been fishing with his father, Jerome, lately. Clifford is hoping to get as good as his dad, soon!

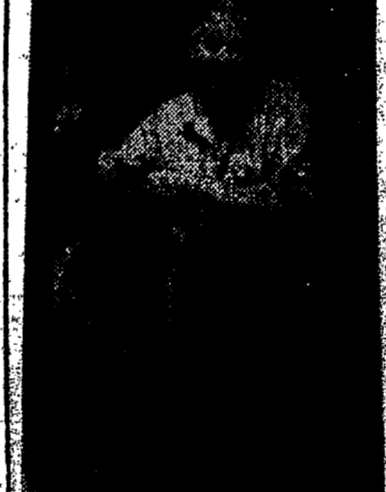

Tut Monti, Stanley Boudage and Tebo Fayard are getting ready to do some real fishing soon. They get their share.

The smorgasbord held last Saturday at the Pass Christian Golf Club was a huge success. The affair was given to help raise funds for the forthcoming Mississippi Ladies Golf Tourney to be held in April.

A post card was received from Jack and Sadie Hamrick former residents, who are in Florida, where they are visiting. They send regards to friends here. Good fishing but no boats they said.

Jack Seuzeneau, Nick French and Geo. Seuzeneau, Jr., caught a few speckles on their last trip out. Jack said they should get better soon.

WHAT A CATCH . . .

Above picture shows Jerome Carver, with a string of Green Trout which he and Doc Elliott caught up Jordan River Monday afternoon. The largest weighed 3 pounds and two 2 1/2 pounds. They were caught on underwater baits. They caught the limit, they say.

\$600,000 FEBRUARY FOREST FIRE LOSSES OVER

JACKSON, Miss. — A small number of people robbed themselves and all other Mississippians of over six hundred thousand dollars worth of potential products, wages and business activity during the month of February through intentional and careless burning of forest land, according to officials of the Mississippi Forestry Commission.

These losses are due to the unpopular acts of only a few people, but they critically affect every man, woman, boy and girl in Mississippi. Including those who started the fires. And be sure it is not a majority of the forest fires that are started by the careless burning of forest land.

Investiture Service Held For Brownie Troop

Investiture ceremonies for Brownie Troop 244 with Mesdames Roland Lafontaine and Sam Benigno as leaders, were held Friday afternoon in Our Lady of the Gulf School music room, with Sister Leonard leading the group in prayer.

Troop 77, with Mrs. Anny Becker and Mrs. Frances Schaefer, leaders, conducted the flag ceremony.

Sister Edward, principal of Our Lady of the Gulf Parochial School told the group what was expected of them and of their duty in giving good example to others.

The ceremony was close with a prayer by Rev. Magr. Martin Maloney.

Girls awarded and pinned were Cheryl Blaise, Deborah Poolon, Debra Schaefer, Vicki McCaleb, Mary Ellen Murphy, Sharon Redding, Shirley Miller, Janet Baughman, Barbara Ann Bezon, Peggy Jean Helmsman, Jean Johnson, Carlos Kergosien and Carol Kingston. Deborah Kingston, Laura Kingston and Shelly Lynn Lafontaine.

Refreshments were served by Mesdames Lafontaine, Benigno, Ogden Kergosien and J. T. McCaleb Jr.

EASTER SEAL CAMPAIGN NOW GOING ON

Paula and Patricia Webber, 3-year-old blue-eyed twins sisters of Sumter, South Carolina, will share the role of 1961 National Easter Seal Twins. The twins will headline the 1961 Easter Seal Campaign, March 3 to April 2, Easter Sunday, with appearances at the White House, on national television and radio, and other public occasions.

Daughters of Air Force Captain and Mrs. Robert T. Webber, stationed at Shaw Air Force Base, the girls are the first twins to be chosen to represent the nation's crippled children under the Easter Seal banner. Because they have lived in a number of places during their father's tour of duty, the twins will point up the availability of Easter Seal services at treatment, training and rehabilitation centers throughout the nation.

Paula was born with a crippling handicap, and although Patricia has no disability, the girls have shared a program of rehabilitation at Easter Seal treatment centers from El Paso, Texas to Anchorage, Alaska, and Columbia, S. C., in an unusual schedule of physical, occupational and speech therapies which have brought about rapid and unique progress for Paula. This is the reason for designating them both as Easter Seal children.

The twins are third grade students, but are purposely in separate classes to permit Paula to develop greater self-reliance. The girls enjoy swimming, bicycle riding and horseback riding together. Girl Scouting is another interest, as they are members of a Brownie troop.

Paula and Patricia are active participating members of the Webber household which includes two other sisters and two brothers. The family are members of the Grace Baptist Church and the twins belong to the junior choir, attend Sunday School and participate in other church activities.

cyntests at \$15.00 per set (\$5.00 per game) plus 50 cents per order for exchange, postage, insurance and handling, will be accepted in the order received and assigned a priority number which will be furnished to the purchaser. Seat assignment will be made promptly. The tickets will then be mailed around September 1st.

Orders must be accompanied by check or money order, the Commission presses, and cash should not be sent. In addition to \$15.00, for each set of three tickets, desired 50 cents payment for postage, insurance, exchange and handling costs must be added to each order, regardless of whether it is for one set of tickets or 100 sets.

Checks should be made payable to and mailed to: Mississippi Memorial Stadium Commission, Post Office Box 4574, Fondren Station, Jackson 6, Mississippi. The Stadium Commission has been allocated approximately 17,000 sideline tickets for each of the games and will fill orders for sets according to time of receipt up to the limit of the Commission's allotment. Until season ticket sales have been completed, no orders for single game tickets can be accepted.

Priority of location of seats for season tickets will be given as long as tickets are available, but no later than April 15, 1961. Those who purchase season tickets for the 1961 season will be notified in advance by mail about season tickets for the 1962 season.

After all orders for season tickets have been filled, any tickets unsold will be offered to non-season ticket purchasers. Announcement of these single game tickets, if available, will be made through the press, radio and TV announcements. A limit of four tickets per game will be placed on non-season ticket orders until a later date.

Those wishing to sit together should mail their separate orders in the same envelope, and the Commission will attempt to fill these orders with adjacent seats until a later date.

In addition to the 17,000 sideline tickets consigned to the Stadium Commission, the home teams, Ole Miss and Mississippi State, and the visiting teams, Arkansas, Texas Tech and Tulane have retained allotments of tickets for their students, bands, families of players, families of coaches, faculty, alumni and supporters. These tickets will be handled by the individuals schools.

At or near game time, remaining tickets, if any, will be offered for sale by mail or for cash through the Stadium box office, and other sales outlets to be announced.

Observers have predicted all three games will be sellouts in the new stadium.

Warm Weather, Rains Speeding Grain Growth

Warm weather and plenty of moisture have caused small grains and other winter grazing crops to grow extra fast; however, wet field work has been at a standstill during recent heavy rains. Cereals, however, are now in good condition.

COUNTY AGENT'S NOTES

D. D. THORNDYKE
County Agent

FERTILIZING SPRING PASTURES

If you have not yet put out potash and basic slag, or phosphate and potash on your spring clover pastures, do it now. For extra good growth, use 80 pounds of phosphate and 80 pounds of potash per acre. For average growth, use 60 pounds per acre of each.

If your clover areas need time, it will not injure the clovers to apply it now on top of the growing clover. One ton per acre is a good application for most pasture land. Some pasture land may need a ton and a half or two tons. A soil test will indicate just how much is needed.

GARDENING

March is the time to get busy in the home garden. It is planting time for lots of vegetables. Here is a partial list of those

available: beets, celeriac, cauliflower, celery, endive, green beans, green peas, Irish potatoes, spinach, turnip, beets, parsnips, Swiss chard, collards, mustard, New Zealand spinach, radishes, and in the upper third, fourth and fifth, asparagus, crows.

Get your rows ready for early summer vegetables. Locate bean and tomato stakes. Keep an eye peeled for early insect problems. Get the jump on the bugs, first, stables.

SAFETY

Don't get in too big a hurry with that tractor. Speed cause upsets. Injuring both drivers and damaging tractors. At this season, especially, you can't afford either.

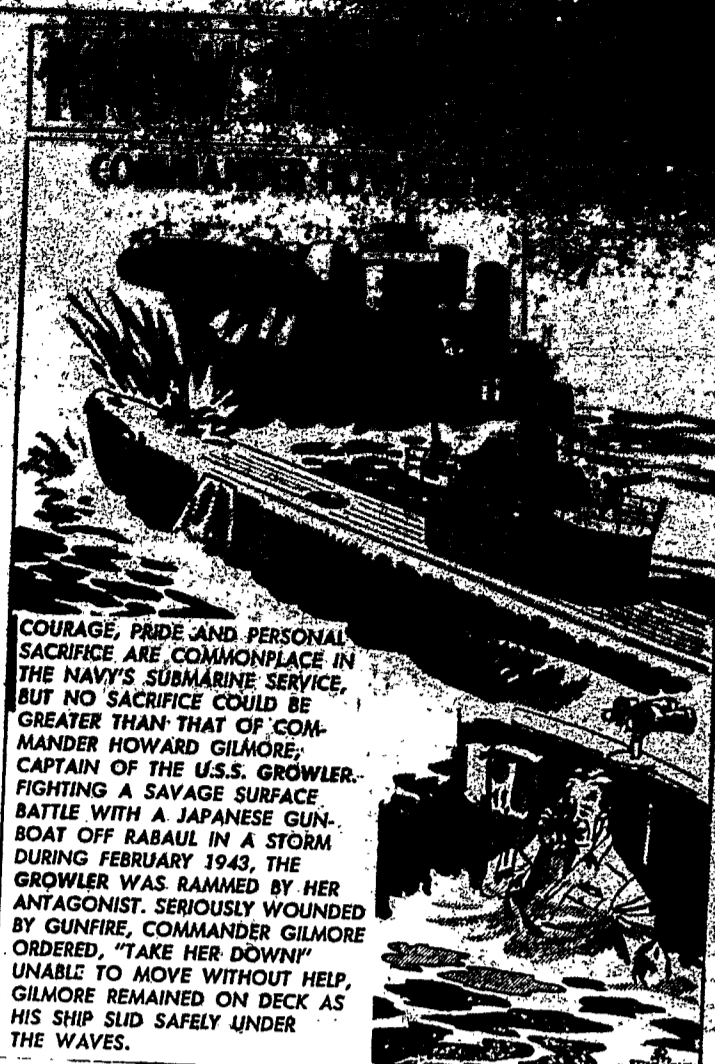

Did you finance your farm with the help of U. S. Savings Bonds? Well, then you'll be interested in knowing that this year the Savings Bonds program is observing its twentieth anniversary. Since 1941 Savings Bonds have been helping the government meet the needs of our economy. They've been meeting the needs of the people who invested in them, too. It would be interesting to have a count of the farms and pieces of new equipment bought by Savings Bonds. And did you know that right now the interest rate on bonds is

at an all-time high? That's the period of maturity is the shortest ever.

For every \$75 you invest in Savings Bonds, you'll receive \$100 back in just 7 years, 9 months. With the money you put into bonds now, you can have a new home or a new wing on your home or barn, education for your children, money for your take-it-easy years. Yes, this twentieth anniversary of the Savings Bonds program is a good time for you to plan for the future. See your banker about United States Savings Bonds.

Everybody Invited to Civil War Centennial

Just about any place in Mississippi this Spring and Summer will find Mississippians busily engaged in some sort of observance marking important events of the War Between the States. These won't be just "home-folks" affairs either. Tourists are always welcome. In fact, Northerners from 15 states have a special invitation this year. A series of special weeks at the National Military Park at Vicksburg will honor the 15 Northern States whose sons fought in the Battle of Vicksburg in 1863. A similar series will be held next year honoring Southern States.

COURAGE, PRIDE AND PERSONAL SACRIFICE ARE COMMONPLACE IN THE NAVY'S SUBMARINE SERVICE, BUT NO SACRIFICE COULD BE GREATER THAN THAT OF COMMANDER HOWARD GILMORE, CAPTAIN OF THE U.S.S. GROWLER, FIGHTING A SAVAGE SURFACE BATTLE WITH A JAPANESE GUNBOAT OFF RABAU IN A STORM DURING FEBRUARY 1943. THE GROWLER WAS RAMMED BY HER ANTAGONIST, SERIOUSLY WOUNDED BY GUNFIRE, COMMANDER GILMORE ORDERED, "TAKE HER DOWN!" UNABLE TO MOVE WITHOUT HELP, GILMORE REMAINED ON DECK AS HIS SHIP SLID SAFELY UNDER THE WAVES.

Benton Harbor, Mich.—America's foremost rocket expert is "quite surprised" at the compactness of this country's experimental space kitchen.

Dr. Werner Von Braun, (left) director of the George C. Marshall Flight Center in Huntsville, Ala., expressed this opinion on seeing the experimental kitchen for the first time during a recent visit to Whirlpool Corporation's research laboratories here, where it is under development. He is shown examining a miniature water heater that will be installed in the kitchen.

The space kitchen is approximately half completed for delivery to the U.S. Air Force in May of this year. It is designed to store and dispense all foods and beverages required for three astronauts on a 14-day space mission.

Shown a number of kitchen items already completed, Von Braun was particularly impressed by the miniature water heater that, under its bulkier household counterpart, is only 17 1/2 inches from top to bottom and 4 inches in diameter. Three inches of 170 degree water can be drawn from the miniature every two hours. Two separate heating elements are used to forestall complete breakdown in the event of failure in one of the elements. Though designing building the tank and heating elements sounds relatively easy described in these terms, say Whirlpool scientists, months of research and development work is required to design an operative unit work under zero gravity conditions.

Astronauts will draw water from the air-fuel system by using the handle on a post-

ive displacement pressure pump, meantime grasping a support bar with the free hand. Without something to serve as a handle, they would push themselves across the kitchen everytime they tried to move the handle, since there is no such thing as measurable weight at zero gravity.

Improved weather forecasting made possible by data collected from U.S. satellites now in orbit could reduce by half the \$2-billion losses imposed annually by unwarned storms, the German-born rocket pioneer believes.

"This," he added, "would in itself pay for the nation's \$1-billion a year space program."

Von Braun said that although the Russians have launched heavier payloads in the space race, "we have collected greater knowledge of space from our satellites."

Fans Can Now See Season Tickets for Three Big Games

kickoff time for ticket or Mississippi's three big ball games in the Stadium, Jackson, and the Mississippi Memorial Stadium Commission it is now accepting orders only for season tickets. (Orders for the number of tickets to each

game are classified as Season Ticket Orders.)

Feeling that priority for the choicest seats allocated to the Commission should go to purchasers supporting the entire schedule the Commission is now accepting only mail orders for the same number of tickets for all three big contests: Ole Miss vs. Arkansas and Mississippi State vs. Texas Tech. on September 23rd, and Ole Miss vs. Tulane on October 21st. Single game orders will be taken later.

CLOCK WATCHERS

Are men becoming smaller than the clocks they watch? As we rush from plane to plane, city to city, appointment to appointment, are we shrinking rather than growing?

For centuries man have gone forth from their homes to work, either by foot, ship, horseback or in a jet that can cross a continent between lunch and dinner. Whether in the end it was "worth it" has always depended on whether a man found time as the years went by for those things even more important than success—his family, his home, and his church.

If the demands of your job—the pace of your life—have chained you to a clock that is getting bigger than you are, pause to remember: in any human life there are only so many hours, none of which may be reclaimed once they've ticked by. Pause to realize, too, that it takes only a minute to pray, only an hour to go to church on Sunday—yet the benefits reaped from even such brief dedication to God can be eternal.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

any more, but it can be served in any course from appetizer to dessert. And to the best that rice is a nutritious food and it is likely more and more people will include it in their menus more frequently.

Here is a recipe for an elegant dish, Lemon Lamb and Rice Soup, recently developed by the Rice Council, which is sure to impress family and friends.

CURRIED LAMB AND RICE

¾ lb. boneless lamb, cut in small cubes
1 cup chopped onion
1 cup chopped celery
½ cup chopped onion
5 tablespoons butter or margarine
3 tablespoons flour
2 teaspoons curry powder
1½ quarts chicken broth
½ cup uncooked rice
½ teaspoon salt
Dash pepper
Thin lemon slices
Shredded coconut

In a large saucepan, brown lamb, apple, celery and onion in margarine.
Stir in flour and curry powder, then chicken broth. Add rice, salt and pepper. Bring to a boil. Stir. Cover. Reduce heat and simmer 30 minutes.
Garnish with thin slices of lemon or shredded coconut. Makes 6 to 8 servings.

NOTE: This soup has the consistency of stew. Serve with your favorite rice and dessert. It is a complete meal.

...and the public library. This, however, is not an effort to supplant the work of the public library as the school library, but supplement it, and makes provision of many books in the religious field, where the other libraries may have few or

However, many of these religious books are not good. It is suggested that some of these church groups will cooperate in the acquisition of literary works.

**What do
you mean,
"armamentarium?"**

Sometimes physicians forget and talk their own language. Greek to most people. Now, about the mouthful above, ever hear something like this from your doctor? "...drawing on our present armamentarium to treat you..." Actually, "armamentarium" is just a doctor's word for the array of treatments and medications at his disposal. When it comes to drugs, this armamentarium is *awesome*. Thousands and thousands, literally. All are readily available in this pharmacy to help preserve your health when needed—a public service which we are pleased to render.

ARCHITECT'S VIEW of Mississippi Memorial Stadium, now under construction. It is located across from University Medical School in Jackson. Completed in August, it will be a complete new stadium, engineered to provide maximum visibility from every seat. There will be 46,000 seats, all weather parking facilities on the site will be provided for 5,000 cars. A new traffic handling pattern has been worked out to greatly facilitate movement of cars and pedestrians into and out of the stadium area. Tickets are now on sale for the three big games, Ole Miss vs. Arkansas, Mississippi State vs. Texas Tech September 23rd and Ole Miss vs. Tennessee October 21. Orders are now being received for season tickets by the Stadium Commission at P. O. Box 4574 Fondren Station, Jackson, 6, Miss.

Library Week observance in a number of ways," said Dr. Odle. "Attention can be called to the service of the public library, and the membership can be urged to visit the library and use its facilities. The churches can, through classes and organizations, as well as from the pulpit, encourage good reading and sug-

Cleaning Hint: If you let dust collect on lamp bulbs, diffusing bowls and shades, you can lose as much as 40 percent of the light. Be careful about dusting lamps and fixtures as you are about dusting furniture.

MARCH PLANTING.

Among the variety of plentiful food you'll find during March are cabbage and eggs.

March is the month to feature eggs in a variety of ways in your menus. Try cabbage, both cooked and raw salads, relish as a salad.

You'll also find plentiful in potatoes, grapefruit, cranberry products, California dairy products and dairy products, peanuts, peanut products, rice and beans.

Egg Advice

Eggs packed with the large and very small yolk, are good for you. They are a good addition because they are packed with the essential vitamins. Take them from the egg cartons and put them in a bowl of water or in your refrigerator. As you use them, take them out and use them. They are good for you.

Hold Quarterly Meeting Of West Coast Deacons In Picayune

A quarterly meeting of the West Coast Deacons of the New Orleans Diocesan Council of Catholic Women was held Wednesday in Picayune at the St. Charles Barromeo Parish school building.

Wayne Lellouche of Picayune, guest speaker introduced by Mrs. Theo Smith of Picayune, spoke on a day in the life of a Seminarian, stressing the right training which seminarians receive.

The quarterly reports gave a resume of charitable and spiritual works accomplished by each of the parishes represented. Summaries at Xavier Hall in Pass Christian and the scholarship offered by the National Council of Catholic Women were discussed.

A plan was also discussed for creating more interest in the work of this section in the NCCW.

Following the business session, the ladies of St. Charles Barromeo Parish served coffee and the group visited their church.

Attending from Bay St. Louis were Mesdames George Stevenson, J. A. Chipiche, Ivan Bradford, E. Arceneaux, Sylvester Benigno, Joe Cacioppe, Charles Giametta and L. S. Elliott.

Funeral Services Held For Late Mrs. Nelson

Mrs. Annie Flamborough Nelson, 73, wife of the late Fred J. Nelson, died at the St. Charles Barromeo Parish, Saturday, March 11, at 9:30 P.M.

She is survived by a daughter, Mrs. Richard S. Proctor of Clermont Harbor, a son Frederick J. Nelson of Plainville, Ohio; a sister, Miss Ada E. Flamborough, Clermont Harbor, and four grandchildren. She was a daughter of the late George and Ada Hickmore Flamborough.

Funeral services were held from 9:30 A.M. to 12:30 P.M. Monday at 9:30 A.M. followed by religious rites at St. Charles Barromeo Parish Church at 10 o'clock. Interment was in Garden of Memories Cemetery, New Orleans at 2 P.M.

Schroeder Death

William Charles Schroeder, 83, died in Hancock General Hospital Friday, March 10, at 12:30 P.M.

He was the husband of the late Margaret Daniels Schroeder of Oak Park, Ill.; father of Mrs. Jess Frasier of Columbia, Michigan and Mrs. Donald R. Prentice of Bay St. Louis. Survivors also include four grandchildren.

Funeral services were held from 9:30 A.M. to 12:30 P.M. Monday at 1 P.M. followed by interment in Elmwood Cemetery, River Grove, Ill.

"Cry For Happy" To Be At Star Theatre

Producer William Goetz made "Cry for Happy" one of the most poignant of all romantic dramas; now, with "Cry for Happy" he has come up with one of the year's happiest screen comedies; both pictures cover Japanese-American relations—personal relations, that is.

"Cry for Happy" which opens at the Star Theatre Sunday in CinemaScope, and Eastman Color stars Glen Ford and Donald O'Connor in a felicitous, fun-filled story of U. S. Navy combat cameramen who move into an "off-limits" geisha house, complete with geisha girls. Things are hardly what the seamen imagined they would be; they're infinitely better.

Mikito Taka, James Shigeta and Miyoshi Umeki co-star in "Cry for Happy"; Shigeta as a Nisei member of Ford's camera crew and the girls as geishas. The Misses Taka and Umeki are the Japanese Lovelies of "Sayonara," the former playing the dancer and the latter winning an Academy Award for her performance as the ill-fated bride of an American G.I. Ford appears in "Cry for Happy" as an "operator" of the highest order, capable of managing everything and everybody to advantage—with the sole exception of Miss Taka. On the other hand, O'Connor is the ideal "wolf" until he gets tamed by the petite Miyoshi.

It is Ford who learns of the geisha house, through a Japanese film producer to whom he has been "lending" Navy equipment, and he moves his crew in without the Navy being aware of their changed billet.

Stewart-Tessie Wedding Sunday Afternoon

Mrs. Camille Tessie of Bay St. Louis and Mr. Victor H. Stewart of Lakeside were married at 1 P.M. at the Lakeside Baptist Church with the Rev. Harold Dale Wright of New Orleans officiating.

Mrs. Stewart chose for her wedding a French blue suit, white hat and gloves and black accessories. An cottage trimmed her shoulder.

Mrs. Lolly Schwartz Green was matron of honor, and Hickey Schwartz was his brother's best man.

A reception followed at the family home at 311 Union Street.

A three-tiered wedding cake, encircled with white camellias flanked by candelabra holding white tapers, centered the refreshment table.

Mr. and Mrs. Schwartz will make their home at Rigolets, La. Out of town guests for the occasion were Mr. and Mrs. Al Leddy and daughters, Mr. and Mrs. George Benigno Sr., Mrs. Orla Benigno and son Freddie, Mr. and Mrs. George Benigno Jr., Miss Jean Leddy, Mrs. Carl Benigno, Mrs. Emilie Adams and Mrs. Vivian Keck.

Celebrate 50th Anniversary Last

Mr. and Mrs. W. J. Childress of 900 South Beach celebrated their 50th wedding anniversary last Wednesday in New Orleans.

Mr. and Mrs. Childress, who were married March 4, 1911, in St. Patrick's Church, New Orleans, renewed their marriage vows at a Mass at 8:30 A.M. Wednesday in St. Dominick Church before an altar decorated with white gladioli and calla lilies.

A breakfast followed at 9:30 A.M. with their children, Mr. and Mrs. L. S. Boudreaux and daughters, Dottie Ann and Suzanne and son Donald; Mr. and Mrs. Will Boudreaux and daughter Dawn Marie and Mr. and Mrs. W. J. Childress Jr. and children Kathy and Scott, and Mrs. W. H. Montgomery, Mrs. George Murphy and Mrs. Elsie Wetta as guests.

In the afternoon the couple were honored with open house from 3 to 5 at the home of their son-in-law and daughter, Mr. and Mrs. Ray Lavelle, of Biloxi, Miss.

WHY BREAD PRICES RISE

Despite increased output of production workers per man hour, baker profits on a pound of bread declined from 4.1 per cent to 2.3 per cent in 1956 compared with the 1947-1949 average, according to a study made by the Agricultural Marketing Service, United States Department of Agriculture, recently released. This is a decrease of 44% in baker profits.

The study showed that labor costs now represent about 50% of the baker's share of the consumer dollar spent for bread. The report stated that average hourly earnings of all employees in the bread and other bakery foods industry have increased more rapidly than the price of bread.

A production worker with earnings from an hour's work could purchase at retail about 10% more bread in 1956 than in 1947, the report said.

Hourly earnings of production workers rose from an average of \$1.05 in 1947 to \$1.15 in 1956, and other labor costs in the form of fringe benefits and social security taxes showed even greater proportionate increases.

A factor in the higher costs and lower profits, the report indicated, is the sales and distribution problem of the

SJA Parents' Club Meeting Held

Sister Eugene, principal discussed the students testing program which was followed by a question and answer period at the recent meeting of the St. Joseph Parents' Club.

Sister told the group she would meet in the near future with the parents individually to advise them of their children's abilities on the basis of the test results.

Mrs. James Arnold reported a net profit of approximately \$2200 was realized on the carnival ball and Mrs. R. G. Hubbard, president, expressed her thanks to the many who helped make the affair a success.

Mrs. Marion Beal was named chairman for the veterans party March 28.

Plans for rummage sales were made with Mrs. Arnold and Mrs. Elaine Davis as co-chairman.

The first sale will be held March 15 at the corner of Ne-caise Avenue and Esterbrook Street. Location for the March 22, 23 and 24th sales will be announced later.

Anyone with articles to donate is asking to bring them to the convent basement or contact Mrs. Arnold or Mrs. Davis and they will call for them.

Hostesses for the social hour were Mesdames Joseph Blaize and John Benigno.
